

## Circuit Club Scholarship Application

Thank you for your interest in participating in our Afterschool Clubs at The Circuit Boulder Gym. This program is here to help foster healthy climbers into our ever growing climbing community, at the gym, the crags, and climbing areas beyond.

Economic diversity is foundational to a healthy club environment where kids learn empathy, how to work together, and how to listen to and incorporate different perspectives into everyday life. We are committed to making sure families from across the economic spectrum have access to our clubs.

We are able to provide financial assistance amounting to 25% – 75% off of your club registration fee. The assistance granted is dependent on our income criteria detailed below. The Scholarship will be offered to 8 families per calendar year/2 per facility.

---

| Household Income       | Award Amount Guidelines   |
|------------------------|---|
| Less than \$55,000     | Up to 75% of your camp fee , but could be 0%, 25%, or 50%   |
| \$55,000 - \$70,000    | Up to 65% of your camp fee, but could be 0%, 25%, or 50%  |
| \$70,000 - \$85,000    | Up to 50% of your camp fee, but could be 0% or 25%  |
| \$85,000 - \$100,000   | Up to 25% of your camp fee, but could be 0% or 25%  |
| Greater than \$100,000 | Awards are possible at incomes greater than 100K, but please apply if you're <b>only</b> able to attend camp with financial assistance. |

The following are requirements and information that are needed for consideration.

Please submit to [youth@thecircuitgym.com](mailto:youth@thecircuitgym.com)//

- An explanation from the responsible party detailing the reason for seeking financial assistance as well as any supportive documentation, i.e., most recent payroll stubs, unemployment benefit payments, tax returns, etc.
- Each child applying needs to write a response to one of the following questions:
  - What do you want to learn about rock climbing?
  - What do you think is cool about rock climbing?
  - If you could climb anywhere in the world, where would it be and why?
